

About The Accelerated Cure Project for Multiple Sclerosis

Accelerated Cure Project for Multiple Sclerosis is a national nonprofit organization dedicated to curing MS by determining its causes. Focused primarily on accelerating the pace of MS breakthroughs, the Accelerated Cure Project seeks to remove obstacles to investigating the causes of MS, and encourages collaboration between research organizations and clinicians. It has developed a "Cure Map," a systematic plan of research into the causes of MS, and has implemented a multi-disciplinary Blood, Tissue and Data Bank to accelerate the search for environmental and genetic factors in MS.

Multiple Sclerosis, or MS, is a chronic demyelinating disorder of the central nervous system affecting over 400,000 people in the US and 2 million worldwide. MS commonly results in severe disability: debilitating fatigue, loss of bladder and bowel control, the inability to walk, impaired vision or blindness, cognitive dysfunction, and other unpredictable impairments. No one knows what causes Multiple Sclerosis, there is no known cure, and treatments are modest at best.

For more information about the Accelerated Cure Project or to make a corporate or individual contribution, call 781/487-0008, or visit www.acceleratedcure.org.

Accelerated Cure Project provides many MS resources and materials on their web site at no charge. For example:

- MS News
- Email Announcements
- Interviews with MS researchers
- 7 Habits For Regaining Power in the Workplace With Chronic Illness
- Book Reviews
- Clinical Trials
- Multiple Sclerosis Primer
- MS Quickstart Guide

Sign up for their mailing list with the button on the top of each web page

This year's concert is supported in part by a grant from the Arlington Cultural Council, a local agency which is supported by the Massachusetts Cultural Council, a state agency

Music to CURE MS

Sunday, October 24, 2010, 3 - 5 PM

The New England Gilbert & Sullivan Society (NEGASS) was formed in 1976 to foster appreciation of the works of Sir William Gilbert and Sir Arthur Sullivan. Eight to ten times a year we hold meetings at which we sing together, watch live performances, screen G&S videos, and more. Member benefits include:

Free admission to our meetings, including several concerts and staged readings per year

A subscription to our newsletter, *The Trumpet Bray*

Performing opportunities for soloists and ensemble singers

Access to a plethora of information about G&S through our many members

Discounted admission to a growing number of local Gilbert & Sullivan productions

The opportunity to help us support G&S productions throughout New England

Membership begins at \$20. Many of our members opt to join at higher levels of \$30, \$50, or \$100, to better fund our programming and our support of Gilbert & Sullivan productions.

HOW TO JOIN: Send a check to NEGASS, c/o membership chair Janice Dallas, at 63 Everett St, Arlington, MA, 02474-6921.

Our concert this year ~~~

This year's concert features a wide range of music, including a world premiere and some of our favorite chestnuts: lots of great music presented by great musicians who want to help us find the cure for Multiple Sclerosis.

Please follow translations and program notes on our separate sheets

Enjoy the program!
